The concept of the 1,000-year reign, often referred to as the Millennium, is primarily derived from the Book of Revelation in the New Testament. Revelation 20:4 mentions a period of 1,000 years during which Christ will reign on Earth with His saints. This period is often interpreted as a time of peace and righteousness before the final judgment.

The other verses you listed are from various books of the Bible and cover different historical and prophetic events. They don't directly relate to the 1,000-year reign but provide context and background to the broader biblical narrative.
